

Solid Silver Retractable Silver Swizzle Stick / Cocktail Stirrer

Sold

REF: 5056

Height: 12 cm (4.7")

Description

An elegant Sterling Silver retractable Swizzle Stick originally used for removing bubbles from your glass of champagne. The Swizzle Sticks were initially popular in the 1930's in the US to remove bubbles from sparkling wines. Now they are purchased not only for this use, but as elegant cocktail stirrers. These wonderful items remind us of days gone by, and are often purchased as gifts.

The stirrers have a slide mechanism to retract the end, making the Swizzle Stick convenient to transport and store.

The Swizzle Stick comes in a gift box.

Approx Length Open: 12cm (4.5 inches)

Approx Length Closed: 7.5cm (3 inches)

A champagne swizzle stick was used by Helena Bonham Carter (as Princess Margaret) in Season 3, Episode 10, 'Cri de Coeur.
