Description

This set of four dress MOP shirt studs is designed as a refined fastening solution for formal shirts, offering a consistent and balanced appearance. Each stud is set with mother of pearl, introducing a subtle iridescent quality that enhances the surface without overpowering the overall design.

The uniformity across all four pieces ensures a cohesive presentation when worn, supporting a composed and understated formal style. The simplicity of form allows the natural character of the material to define the visual appeal.

Handcrafted using traditional silversmithing techniques, each stud is carefully formed and finished to achieve precise inlay work and a consistent polished surface. Attention to detail ensures durability, secure fittings and a refined finish suitable for repeated use.
