Description

These Sterling Silver collar Stiffeners are a wonderful gift. A luxurious alternative to the little plastic stiffeners that usually come with a shirt to stop the collar from curling.

This is an ideal gift for the man who buys the highest quality shirts and wants to feel the complete executive.

These stiffeners have a feature hallmark on the one side, but are plain on the other side. They are suitable for engraving.

Hand Crafted by Silversmiths in London, United Kingdom.

These stiffeners should fit all shirts. If in doubt, please measure your current stiffeners.

In Germany, Collar Stiffeners are called Kragenstäbchen.
