

Sterling Silver Plain Tongue Bookmark With Tassel

£132

REF: AP-GT307

Height: 7.6 mm (0.3")

Description

This solid silver bookmark is designed to combine practical function with understated elegance, making it a refined addition to any book collection. The plain tongue form features a smooth, polished surface complemented by a classic tassel detail that adds movement and distinction.

Its uncluttered design allows the quality of the sterling silver and craftsmanship to take precedence, while also providing space for engraving. The slim proportions allow it to rest neatly over pages, offering both functionality and timeless decorative appeal.

Each piece is handcrafted using traditional silversmithing techniques and carefully finished for a smooth, polished surface. The bookmark is precisely shaped to ensure durability and balance, while the tassel is securely fitted to provide a refined finishing detail.
