Description

A rare and impressive silver piece made by or commission by Graff Diamonds, substantial in weight, rich in detail, and beautifully preserved. Equally suited to liturgical use, fine silver collection, or as a breathtaking statement centrepiece of lasting value.

Fine solid sterling silver censer. Ornate pierced lid, genuine carnelian, green agate and rose quartz cabochons, deeply engraved body and matching engraved silver tray. Impressive weight, excellent vintage condition. A rare and distinguished piece of ecclesiastical silver.

Silver gilt interior.

Black enamel pannels in the centre and below engraved with two crossed swords could be for The Worshipful Company of Goldsmiths
