Carr's Of Sheffield Ltd

Sold

REF: DD12-SS

Diameter: 30.48 cm (12")

Weight: 1000 g

Description

This beautiful Sterling Silver Armada Dish is a classic and traditional piece of British Silverware. This dish is based on the traditional dishes made in England since the Elizabethan Era.

The dish has a simple, elegant design with a wide rim. The rim has a feature hallmark across the one side.

This dish is suitable for engraving on both the rim and the centre.

It is a beautiful & useful item in the home, and is often purchased to mark special occasions such as christenings and weddings.

Suitable as a prize or presentation piece, and is highly suitable to be engraved with a company logo or crest.
Approx Weight: 1000 grms
